

Today's economic reality may have you wondering how to protect yourself...

A critical illness can impact more than just your health ...especially if you need to dip into retirement savings to take care of expenses not covered by your provincial plan.

The **UnionSavings Critical Illness Insurance Plan** can provide a cash benefit to use any way you want, so you can focus on recovery.

See why this is the plan for you:

- **Coverage that fits your needs:** up to \$100,000 available in increments of \$5,000.
- **Easy to Apply:** No family history questions or medical exam - just a few simple medical questions.
- **Affordable Premiums:** Exclusive rates as low as \$7.50 per month

The **UnionSavings Critical Illness Insurance Plan** helps you to focus on recovery - and safeguard your family's security - at rates you can afford.

Apply now! Protect yourself today!
