

The Intersection of Politics and Policy

IBEW General Counsel Jon Newman spoke to the IBEW's virtual Membership Development Conference in September about how politics influences labor policy. A video of Jon's presentation is viewable on Local Connections, the secure section of IBEW.org.

Here's how to find it:

2. Scroll down to "Conference Materials & Presentations"
3. Select "2020 (Virtual) Membership Development Conference Materials"
4. Scroll down to the "Videos" section, and the video is ready to play. His PowerPoint presentation is also available on that page.
