

## Tech Tools and Contacts

**LAN Questions:** Education reps will serve as your first point of contact for LAN questions or issues, including access/lockouts. If local union staff or rank and file members need LAN access, we need permission from their business manager (email to [political@ibew.org](mailto:political@ibew.org) is fine). And remember [Knowledge Base](#) is an excellent resource to answer any questions.

Please respect the lines of communication outlined below so that everyone can stay focused on the job at hand: electing Joe Biden and Kamala Harris, and new leadership in the Senate, Congress, and states across the country.
