**Regarding the Flame Resistant Clothing**—This clothing is manufactured and distributed by Westex, Inc. and Ruben Brothers, Inc. in Chicago, Illinois, and meets the standards of the American Society of Testing Materials when it is properly used in appropriate conditions. It is the responsibility of every employer to provide a safe and healthful workplace for its employees, and, accordingly, it is the employer's responsibility to ensure that clothing worn by its employees for safety purposes is appropriate and adequate for the circumstances in which it is worn. The IBEW does not assume the employer's responsibility in this regard. IBEW members and other employees purchasing this clothing should check with their employers to ensure that the wearing of this clothing is adequate and appropriate for the circumstances in which it is to be worn.

The IBEW makes no independent or additional warranties nor representations regarding this clothing, but relies on the warranties and representations made by Westex, Inc. (the manufacturer of the flame-resistant material), and by Ruben Brothers, Inc. (the manufacturer of the clothing into which the material is incorporated, who will be shipping you this clothing directly).

**WARNING:** These garments do not provide protection for firefighting. For any firefighting operations, protective clothing appropriate for the type of firefighting operation must be worn for limb/torso protection. Failure to comply with this warning may result in injury or death.
