Be a Part of the IBEW’s History

The renovation and restoration of the Henry Miller house is expected to cost approximately $6 million for construction and ongoing operations and is being funded through donations to the Electrical Workers Historical Society, a nonprofit that has filed for tax exempt status. Beginning at the $100 giving level, donors may receive gifts, many of which are customizable and will decorate Founders’ Park. Gifts include bricks, paver stones, commemorative plaques and benches, and even museum wings. All donors will receive a certificate of acknowledgement watermarked with an image of the Miller home.
