PROPOSED AMENDMENT TO THE IBEW CONSTITUTION

The International Executive Council instructed the International Secretary-Treasurer to submit this proposed amendment to all local unions for a vote pursuant to Article XXVII, Section 1(b) of the IBEW Constitution.

Article III, Section 8, of the IBEW Constitution, shall be amended by including the following language at the end of the first paragraph:

"Notwithstanding the above, effective beginning with the October 1, 2009, pay increase, such increase shall be 50% of the increase described above and then added to the pay rates in effect. This method of calculating the pay increases shall be used to calculate the October 1, 2010, and October 1, 2011, pay increases. However, as the intent of this amendment is to result in additional funds for the Pension Plan for International Officers, Representatives and Assistants of the IBEW equal to 5% of Officers, Assistants, Directors and International Representatives salaries over the three year period, the International Secretary-Treasurer is authorized to discontinue or modify this calculation in 2009, 2010, and/or 2011, as necessary, to achieve the overall 5% additional funds. This language shall be removed by the IBEW Constitution effective January 1, 2012."
