

WHY DO PEOPLE BELONG TO UNIONS?

SIMPLE!!! To protect their wages, benefits, jobs, and rights. Doctors get together with other doctors to protect each other and themselves. The same applies to nurses, lawyers, businessmen, farmers, industrialists, teachers, law enforcers, government employees, etc.

Company Name opposes its workers having a union. Do you wonder why they want their workers to be the only ones without protection?

Yes! Company Name has people that represent them. So do their lawyers, doctors, etc. Company Name knows from experience that uniting is effective. That's why they want you to be "Union Free."

Don't be misled by Company Name officials and their bosses and lawyers. Company Name is rubbing your shoulders now telling you that you "don't need a union"; but we all know that without an IBEW CONTRACT, it's right back to the old "WHO you know, not WHAT you know!"

When you're sick you see a doctor
When your car is broken down you see a mechanic
When you need clothes dry cleaned..... you go to the cleaners
When Company name needs representation..... they get their attorneys
When you need representation. YOU FORM A UNION

BE SAFE! NOT SORRY!
